JUNIORS VS SENIORS

POWDER PUFF

The Homecoming powder puff game was held in the evening after school on Sept. 29. Two big teams of Juniors and Seniors formed to play against each other. Coached by students and members of the football team, they faced off to see who could lead their grade to victory. With help from the cheerleaders, two groups of guys learned cheers and held up signs during the game to rally the student section. The senior girls won the game with much support.

Going for the flag, Hope Moring chases after Charity Lewis before she goes on to score a touchdown for the Juniors.

Throwing the ball, Lauren Blythe plays as the quarterback for the senior team.

On the sidelines, Nick Conrad watches his team and strategizes how to win the game.

Lined up on the track, seniors smile for a photo after the crowning of king and queen.

HOMECOMING COURT

Fourteen students voted onto homecoming court were recognized at the halftime of the football game on Oct. 1. Representing the seniors were, Jade Allen, Mia Armey, Bella Brunson, Nick Conrad, Travers Mason, and Nate Williams. Juniors on the court were Jaylin Carroll and Quentin Penrod. Voted on as Sophomores were Michael Leco and Natalee Snyder. The freshmen included, Graham Blythe and Piersten Burley. Titles King and Queen were passed down to seniors Landon Armstrong and Lauren Blythe.

On the field, Logan Montoya prepares for the play.

Coming to America

Guanaelle Neefs

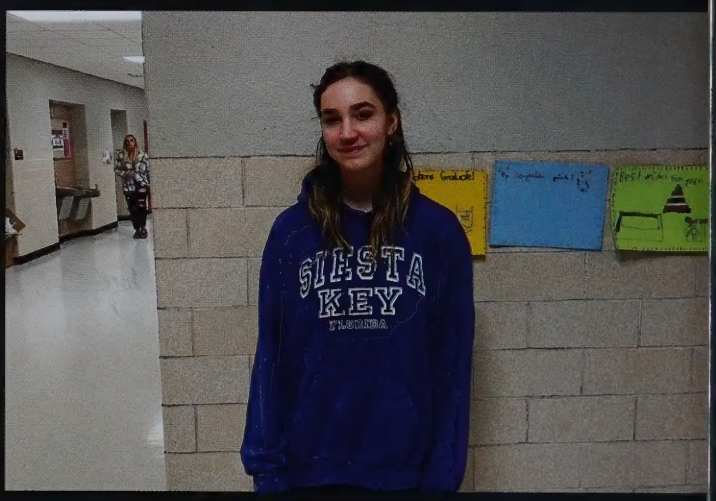
"Hey, so I would say that the biggest difference from my high school is that usually I have breaks of 10 minutes between every class and at lunch I could usually go eat in a fast-food outside of school. The food is very different, I think it's healthier and fresher. I don't know if I have a favorite memory honestly because since I'm here I've had plenty of great experiences."

Alice planches

I really liked to be able to meet new people, make friends and sports here like football games. And people here are so much nicer.

Joenne Niewolno

I loved being apart of the theater department and getting to know so many inspiring people.



Lilly Budde

I like free-refills in America.

Simon Lassenius

ggest difference is that the school here is stricter
d less freedom moving around. The students have
friend like relationship with their teachers and talk
th each other way more than in Sweden.Food is
right but weird that water costs and chocolate milk
free. Favorite memory playing soccer with the
hool team

Matilde Bolognesi

am from Italy, one thing that is different from my
chool compared to DeKalb is the teachers in DeKalb
e way more outgoing than Italian teachers, who are
ry strict. Food is different compared to Italy food
ere is really fat and not healthy at all, while in Italy
od is healthier and not as processed as it is here.
y favorite memory would be semi formal night.

Ava Bartsch

am from a small town near Bad Godesberg in Germany.
ly school is very small, we only have 400 Students and
ompared to DeKalb you know everyone. I really enjoy
eing at DeKalb because there's still some people that I do
ot know. My food in Germany is a lot healthier, it's mostly
eafood and vegetables, since I've been in the US I noticed
hat I started eating a lot more junk food and that most of
he vegetables that I like are expensive. For some reason
he food here also doesn't fill me up, I could eat and eat
nd eat non stop without ever feeling full. I gained a lot of
eight since I've been here and I think the food is mainly
he reason why. I cant tell which one exactly my favorite
emory is but one of my highlights was playing in the
ucas Oil stadium with the Baron Brigade.

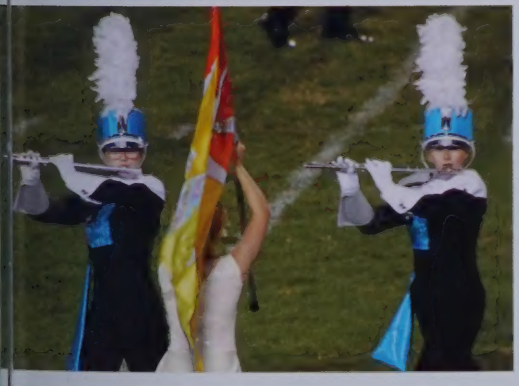
PRODUCTION

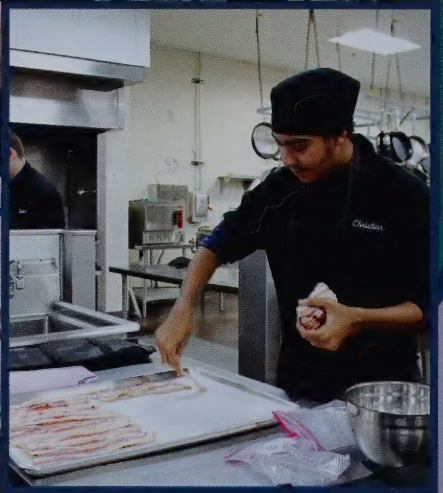
The marching band and color guards show this year is titled, "Sparks Of Joy." The DeKalb Barons have endlessly worked and put in countless hours to prepare an amazing show that tells a story through sound. Just like a movie and the music that comes from it, the marching band created a picture for everyone to enjoy. The marching band and color guard also made it to semi state. Overall it was a very successful season!



The 2022 seniors this year are Iona Carey, Alana Morris, Anna Filutze, Kyra Sells, Brooklyn Clark, Ryan Jauregui, Daniel Morrow, Tim Bailey, Paige Fleming, Tricia Wonderly, Dylan Grabner, Kyle Miller, Gavin Kling, Xander Badger, and Kayden Slone.

Vocational & Impact

The HOE and the primary health care sector of IMPACT uses their time learning various medical skills, practicing clinical work, and teaching one another in collaborative ways. Senior, Hannah Quick, says. "Without the HOE program I would be lost in my future steps towards post secondary education and my career with in the medical field."



The culinary arts sector of IMPACT prepares its students for work in unconventional ways by teaching them the ins and outs of the art of culinary. Many of the students claim to have learned things that they never knew were even a part of culinary work!

What was your favorite game of the year and why?

"My favorite game of the year was against Garrett, it was on our home field and the pressure was on, we've tied them 2 years in row to really close games. It was a very hyped game and a lot of talk on and off the field. Garrett started off strong putting in tw goals early into the game, we didn't give up and put two in as well both from Jace Benson. We were able to put one in the back the net from a PK from Imanol Hernandez with little time left while tied 2-2 and won the game 3-2. Just the silence when we got PK and when we scored the feeling was great, the best part is we have bragging rights."

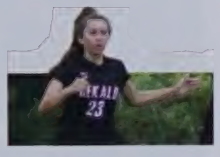
-Adrian Hernandez, (11)

Getting into Position

how junior varsity players experience the field

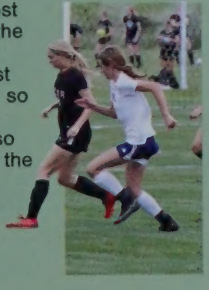
Jenna Schoenherr played in multiple positions. "My role on the soccer field changes but I mostly play forward and outside mid, I like to play there because I get to shoot the ball towards the goal a lot"

Zoe reed was part of the midfield. "I get to attack as well as defend. I get to help my team on our half as well as their half of the field. I enjoy being a midfielder because I can be as helpful as I can on the field and I get to play with everyone."



Stephanie Harig played outside defensive back. "This position is important because defense prevents goals from being scored and shots from getting to the goal."

"The game that was most memorable to me was the game that we played Lakeland. It was the first game that JV won (2-0) so it was pretty exciting to see us score. It was also memorable because of the weather too. It was so cold, combined with the rain, it was a challenge to play in." -Quinn Langschwager



Running with the ball, Megan Hooser moves up the field. "My favorite part of this soccer season was when we all ran onto the field hugging each other and jumping because we won sectionals."

Stopping the shot, Grace Williams jumps through the air to prevent the opposing team from scoring. Williams played as the goalie for the whole season, making appearances on varsity. "The most memorable part of the season was the bus rides to and from games. They are always fun and uplifting, while also being a great way to bond with my teammates."

Ready to kick, Isabelle Adame begins to pass the ball across the field. "My favorite thing to do before a game to get ready is talk with my friends."

CAUGHT on CAMERA

Defending the ball, Riley Exford dribbles the ball away from the opponent.

On the field, Katelyn Wittie moves the ball ahead.

In motion, Jenna Jarrett battles to keep the ball against West Noble.

Ana Estrada

"My favorite team tradition would have to be always braiding our hair before every sectional game. It's my favorite tradition because we always bond and have a good time. It's one tradition I'm going to miss about soccer season."

Jade Allen

"My favorite game was by far the sectional championship against Northwood. All 4 of my years, we've played Northwood in the championship game. It is always a tough game. This year we fought hard. We were down by 1 goal most of the game, then in the last few minutes we scored a goal to win the championship. Couldn't have been a better way to go out with the team I love!"

Aliyah Kern

ONE TEAM

Varsity Soccer Wins Sectional Championship

The difficult game ended in a loss and finished the season for the team.

Multiple players were awarded for their efforts this season. NE8 all-conference selections for first team included Hope Lewis. Making second team was Riley Exford and Jaylin Carroll. And Honorable Mention was given to Charity Lewis, Caroline Pranger, Katie Wittie, and Sydney Mansfield. Selected for first team all-district was Hope Lewis. Riley Exford was second team all-district. and Jade Allen was awarded as a best team player for district one.

\fter a kick, Caroline Pranger moves the ball away from he opponent. "My favorite part of the soccer season was he moment the buzzer went off and we all screamed and ump if a circle holding our trophy."

Hope Lewis

"I scored 35 goals with the help of all of my teammates, but my most memorable one was definitely the one at Columbia City when there was only 45 seconds left in double overtime."

"It's been a blessing being able to play with my sister for the past three years. I admire and look up to her so much and she's one of my biggest role models. I'll definitely miss our continuous laughter and our celebrations of our success on and off the field."

Junior Taylor Glogas cheers during the halftime of a basketball game. "My favorite thing we did as a team this year has to be either the Christmas dance during basketball season or the team bonding pool party before the start of football season! The Christmas dance is a choreographed number with a mix of dancing and stunting, it is so much fun to learn and perform and has become a cheer tradition around the holidays! As for the pool party, everyone loves pool parties but when you add cheerleaders into the mix it makes it so much more fun! We spend hours doing fun stunts in the pool that we wouldn't normally be able to do on the ground, along with eating and playing games."

WINTER CHEER

It was a great experience to be pushed to my fullest potential by the upperclassman! They have taught me so much, not just in cheer, but in life as well. I'm so thankful to be given the opportunity to cheer on varsity with these amazing girls!"
Abigail Myers describes changes throughout the season, "When basketball season came around we got really close because we worked together more, we had some issues but all in all we became really close. Colton Richard Eads

You were born on October 30th, a warm and sunny day, just in time for your first Halloween costume. Over the years, you have grown from a darling little pumpkin to a pirate, then into a remarkable young man who thinks outside of the box and always wants to know why it works, how it works, how can it be improved. You chose the roads less traveled which took you to the United States Naval Academy and Texas A&M University. Take everything you have learned with you on your next adventure and enjoy all of the opportunities you will be presented. Knowledge is power and experience follows right behind. Always remember to rely on your moral compass to help you remain true to yourself, your family and friends. We love you and are very proud of you, Colton!

Love you sweet boy.....and Gig 'em!

Dad, Mama, Coop and Hank

As every warrior steps bravely on their battlefield~ they must know these things:
Bravery is defined by a sense of wonder, anticipation, passionate drive, courage, and commitment.
Bravery is acting in uncertainty, overcoming obstacles, and understanding that outcomes are adventures, both good and bad.
Olivia Kelley, YOU are a Warrior!
As you step into this great sphere of skies and seas, your "battlefield",
May you be met with a journey~
Full of light to guide your path,
Experiences that challenge you to grow humbly and gracefully,
Wings to fly beyond your unimaginable dreams, and
Love, that embraces you fully, wholey, and never fails.
We are proud of the woman, the warrior, the human you are becoming.
We love you unconditionally, to the moon and back, multiplied by double infinity.
Love, your family,
Dad, Mom, Jake, & Mia
